Dear: Fulfill Your Destiny,

Miracles Outreach Community Development Center, Inc. is very grateful for your support of our mission of promoting restoration of our community by empowering our program participants and foster care youth to become self-sufficient economically, emotionally, and spiritually. As a nonprofit (501c3) organization, we are often very limited in resources. Therefore, all support, donations, and other acts of kindness make it possible for us to enhance the services we provide for the youth entrusted to our care.

We really appreciate your donation, which will surely put a big smile on the faces of our youth. As we continually strive to elevate our level of care and commitment, we ask that you keep Miracles Outreach CDC in mind and refer our organization to others who are interested in supporting or donating to a very worthwhile cause.

Thanks again for your support. All donations are tax deductible.

Sincerely,

Michelle E. Walker
Executive Director
